

For Immediate Release

The Birds Are Back!

“Plan B” Conservation Concert

Plus Free Birding Binoculars RAFFLE courtesy of DHT

Saturday, March 26, 2022

MIAMI, Fla. — Rock ‘n’ Roll lives! Ever-popular **Plan B** returns to the Doc Thomas House Keystone Stage this month with Pinecrest residents Dr. Scott Kenward (guitar and vocals) and Al Roque (drums), South Miamian Alex Leeds (vocals, percussion, guitar), High Piner Al Larcada (bass) and east Kendall-ite Alvaro Gomez (keyboards, guitar, vocals) performing a repertoire of classic and contemporary Rock ‘n’ Roll with a dash of the unexpected.

The Conservation Concert series holds sway with Kenward: “I have a special affection for bird sanctuaries,” he notes. “I grew up in Pinecrest next to the old Parrot Jungle and we had macaws roosting in our yard.”

Attendees can perch under the Audubon oaks to enjoy Plan B’s depth of Classic Rock hits paired with donation Bird Bar libations, to include Lucky Buddha Beer and Bubo Red Blend and Bubo Pinot Grigio complements of Republic National Distributing Co.

FREE RAFFLE: A pair of Birding Binoculars will be raffled by our gracious community partner DADE HERITAGE TRUST to mark triple milestones: the Doc Thomas House 90th Anniversary, the Tropical Audubon Society 75th Anniversary and Dade Heritage Trust’s 50th Anniversary!

Concert attendance is required to participate in the free raffle, and you must be present to win.

2022 Conservation Concert proceeds are dedicated to funding construction of the new Tropical Audubon chickee and a permanent pervious floor.

See Page 2 for Concert details >

Page 2 of 3 | 2022 Conservation Concert Series Details
